

Autoneum is globally leading in acoustic and thermal management for vehicles. The Company develops and produces multifunctional, lightweight components and systems for interior floor and engine bay as well as the underbody. Customers include almost all automobile manufacturers in Europe, North & South America, Asia and Africa. Autoneum operates 67 production facilities and employs around 16100 people in 24 countries. The Company with its headquarters in Winterthur, Switzerland, is listed on the SIX Swiss Exchange (ticker symbol AUTN).

Currently we are looking for:

SAP Solution Expert FI/CO

Poland – Katowice – 100%

Your responsibilities

The main goal of this jobholder is to govern and support the established SAP FICO template as well as provide technical expertise and consulting for future enhancements.

The jobholder will be responsible to support the global business needs of the company while working in a small team. As such, the expectation is that the successful candidate will have the ability to work pro-actively and semi-autonomously where required.

The jobholder will also need to possess a broad business knowledge that makes them capable of liaising effectively with Stakeholders, SAP Business Process Managers and operations across the various global locations. The distribution of expertise needed is equally divided between Finance and Controlling.

Main tasks:

- Maintenance and support of existing SAP FICO landscape.
- Optimization of future system & process landscape.
- Potential introduction and roll-out of the template to future global sites.
- Support in the area of Finance New General Ledger/Accounts Payable/Accounts Receivable/Banking/Fixed Assets/Month End Close
- Support in the area of Controlling Profitability Analysis/Product Costing/Cost Center Accounting/Project Systems (PS)/Internal Orders/Material Ledger/Month End Close
- Make decisions related to CoE Support where necessary
- Project Management / Business Requirement gathering

Your qualifications

- Bachelor degree in Information Technology or Business Administration
- 5+ years of SAP FICO experience in manufacturing industry (automotive preferred)
- Experience in working in a global and multi-cultural company
- SAP certified and S4 HANA experience would be an added advantage
- Experience and Strong integration knowledge with other modules – SD/MM/PP/PS/PM
- Experience with Self-Billing, Plant abroad an advantage
- Experience with Treasury and Risk Management an advantage
- ABAP skills an advantage
- Project Management experience
- Designated change management skills
- Good negotiation skills
- Fluent in English, knowing another language is beneficial
- Must be able to communicate and interact effectively with internal business partners (Finance & Controlling) to help understand issues & opportunities
- Ready for international travel
- Experience with SAP S4/HANA

- Execution of Global IT Governance / Standardization
- Facilitate Power Users integration into their Future Support Role (Business User support)
- Relationship building with Business Process Sponsors / Regional Head of Business Team Leads
- Create / maintain SAP Application Catalog template to keep current on business requirements
- Support VIM solution

We offer

- Possibility to grow in international environment
- Private healthcare - possibility of joining on preferential terms for you and option to extend to your family/partner
- Group insurance - possibility of joining on preferential terms
- Social Fund benefits
- Flexible working hours (we start between 7 and 9 am)
- Good atmosphere of work
- Ability to use foreign language on a daily basis
- Trainings and development opportunities
